

**Minnesota Farm Bureau Federation
Young Farmers & Ranchers Collegiate Discussion Meet
Rules for Competition**

Background

The Collegiate Discussion Meet is a competition promoted by the Minnesota Farm Bureau Federation (MFBF) Young Farmers & Ranchers (YF&R) Committee. Farm Bureau's strength depends on its members' ability to analyze agricultural issues and decide on solutions that best meet their needs. The competition is designed to simulate a committee meeting where discussion and active participation are expected from each committee member. Applicants build basic discussion skills, develop a keen understanding of important agricultural issues and explore how groups can pool knowledge to reach consensus and solve problems. **A successful applicant is a productive thinker rather than an emotional persuader. He/she will assist the group in creating ways to implement the solutions discussed and highlight Farm Bureau's involvement in those actions/steps.** The Minnesota Farm Bureau, as part of the state recognition award, will award the winner an expenses-paid trip to the AFBF YF&R Collegiate Discussion Meet competition that will be held in Jacksonville, Florida, March 3-6, 2023.
